SOLDIERS' PLLY IS SULFFIGING

And Keep Varsity

FORWARD PASSES AIDED "U"

The Soldier football players from Ft Douglas made the U. aggregation "sit up and take notice" Saturday afternoon. They held Utah to a score of 11 to 0. It was a hard fought game throughout and was not easy playing for the University at any time.

Henry Richardson, the U.'s right half, acted as captain in absence of "Dad" Convill. He was himself line plunging constantly and was, without doubt, the star of the day. His 50-yard run to the Solders' five-yard line was the feature of the game.

RICHARDSON BROS. STARS.

mpt. Conill, the big fullback, was not in the game, owing to stomach trouble caused by injuries received in the game with Colorado College. The varsity team was under somewhat of a disadvantage without him. His line smashing, his throwing and kicking were missed, but the Richardson brothers showed up well on kicks. H. Richardson's throwing on forward passes resulted in large gains for the U.

SOLDIERS MERIT PRAISE. The Soldiers had been in training but three weeks, and in view of the fact that many of them were novices at the game they made a remarkable showing. They were especially strong on the line, Lieut. Garey, the quarterback, played the best defense in the whole game. He was not in the backfield for punts, but stayed in the thickest of the line play and broke up many plays with his perfect tackles.

and broke up many plays with his perfect tackles.

Lieut. Dickson at right end and Cereghino at left half would be good for positions on any team in the coun-

UTAH'S FIRST SCORE.

UTAH'S FIRST SCORE.

Utah's first touchdown was made 12 minutes after the opening of the game. After sacrificing the ball twice on punts and holding the Soldiers for downs and recovering it, followed by a few bucks, a forward pass to left end and a good run by li. Richardson, the ball was carried to the Fort's 35-yard line. Here D. Richardson tried for a place kick. He missed it. Later the varsity got the ball on the 15-yard line, D. Richardson returned it 10 yards. A forward pass to Grant made 15 yards, but the U. was penalized for holding. Walker got in for a few bucks and the Richardsons made good gains. Grant gained 15 yards on a forward pass. D. Richardson bucked the line for a 5-yard gain and H. Richardson went over for a touchdown. No goal was made. For the remainder of the half the play was in the center field with Utah monopolizing the gains.

ONLY CHANCE FAILS.

In the early part of the second half the Soldiers made a fair catch on the Solyard line. They missed the goal losing their only chance at a score. On a forward pass out of bounds the Soldiers kicked from the 25-yard line and the ball was caught by H. Richardson. Here's where he made the most sensational play of the day. He rushed through the Army lads easily outstripping every interference but was retarded by Mulchany. Mulchany could not stop him and Richardson fought his way to the fie-yard line. Here the Army's line was impenetrable. Utah lost the ball on downs. Throughout this half the Soldiers held the U. closely. The next touchdown was made on two plays. H. Richardson recovered 20 yards on a punt. He then threw a forward pass to Monahan. A Soldier got it but fumbled. Monahan regalned it and ran 35 yards for a touchdown. D. Richardson kicked a goal, After a 40-yard gain on a forward pass the U. got the ball within striking distance again. Another forward pass to Grant netted 145 yards. A few more line plays and the timekeeper's whistle blew as the Soldiers were preparing to punt on their fourth down.

Makes Meet's Success Grow.

Makes Meet's Success Grow.

A fair day and a fast track are promised for this afternoon's horse races. The weather is idea—it is just brisk enough to be bracing. The crowds seen at the races Saturday afternoon were larger than previous attendances and today will undoubtedly see a still larger increase. Today's card contains the same variety of events with the favorites and many dark horses all entered. After the sixth and last race Saturday afternoon the exclamation, "I'm glad I came and I'm glad I stayed" could be heard in every car bowling towards uptown. The whole card was good and it came to a climax in the sixth race when a finish of the kind you read about, was served up. Although Jack Paine was played heavily in this event Miss May Bowdish, looked good to many for the distance—a mile. Maxetta and Belden also got play and Ed. Sheridan looked a good long shot. As a result interest in the race was at nine notches. When they rounded the turn to enter the home stretch it was anybody's race. They were bunched up and as they came down the line nose-and-nose everybody in the stands and paddock fairly screamed with excitement. Jack Paine was ridden by M. Nelson, the boy with When they rounded the turn to enter the home stretch it was anybody's race. They were bunched up and as they came down the line nose-and-nose everybody in the stands and paddeck fairly screamed with excitement. Jack Paine was ridden by M. Nelson, the boy with

and St. Vitus' Dance are Nervous Diseases. Most cases can be cured by strengthening and building up the nervous system. To do this a nerve medicine is needed. Dr. Miles' Nervine will be found efficacious, and satisfactory. It has cured many cases of these diseases and we believe it will cure you. We can give you names of many who have been cured through

"My son John had epilepsy for years, and after having him treated by specialists for over 2 years he still continued to have spells. I had almost given up in despair, but knowing the virtue of Dr. Miles' Anti-Pain Pills for sick headache, I concluded to try the Nervine. During June, 1906, I gave him a teaspoonful three times a day, then in July I gave it as directed, and I could see that he was improving, and he has not had a spell since August 28, 1906, and has taken no medicine since Jan.-07. I am writing the case just as it is hoping it will induce others to try it."
W. R. ALLISON, Mooresville, N. C. Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it falls to benefit you.

lots of winnings to his credit, Superior jockeyship just did make Jack Paine nose ahead in time to pass under the wire a two-inch winner.

Results throughout the program were both for and "agin" the talent. Mina Baker, a picked horse, won the first event. Chappy thred in the fight for first and Sam G. came in a strong third. Mina and Sam both showed improvement. Black Domino and J. W. Fuller both beat out Platoon, an eastern animal. Black Domino was ridden by Nelson. Baireed won over Bill Bagwell in the third. Wist was third, Sainrida fourth and Berlin got left. Western was a favorite and won niftliy in the fourth. Patriotic and Mrs. Neugent were second and third while Altair, an eight to one shot came in last. Knowledge was another surprise in the fifth. Reene W. got lots of attention and Manila S., was not overlooked. Reene W., the favorite, set the pace, but tired while Knowledge was up and coming. Then came the sixth race and the croyd came uptown happy.

COPP IS CHAMPION.

In Which He Defeated McGurrin.

Hoot mon! "Have 'oo heered the noos? Artie Copp is champeean." Yes, A. W. Copp is Utah's champion golfer. The title won in yesterday's play with F. E. McGurrin at the Country club. Wind and a heay course were noticeable and considering everything the golf played had no room for improvement. McGurrin played a remarkably steady game; Copp's playing was brilliant and daring. He made drives that started the galleries and followed them up with such success that the galleriese simply ran out of gasps long before the game had reached an advanced stage.

Copp gets the Gemmell championship cup. McGurrin as runner-up also gets a cup and that title.

The score follows.

McGurrin4 6 4 5 5 3 6 4 6-43

AGGIES ARE DEFEATED.

Logan Player Seriously Injured in Game, His Neck is Broken.

More knowledge of the fine points of the game, a heavier line and the forward pass, were all partly responsible for the defeat of the Aggies of the Logan A. C. in their Saturday game with the Colorado School of Mines. Colorado gained four times as much ground through the forward pass as Logan, in fact, the forward pass brought penalty after penalty to the Aggies. The score was 22 to 4.

Tom Evans was taken from the game unconscious. It was not thought his injuries were serious at first but it has been since learned his neck was broken and his recovery is hardly expected, but physicians in attendance have hope. The accident chilled football enthusiasm in Logan and neighborhood.

The score and line-ups follow:

THOMPSON AND UNHOLZ.

cially, has fought many a hard battle here and having disposed of his rivals in one-two-three shape, he has made a good impression and built up a considerable following. Both Thompson and Unholz are longing to get a crack at Nelson, but Nelson is letting all the ambittous comers settle it among themselves as to who is really entitled to meet him. Unholz has met Nelson, but in a short mill. Many think the Dutchman would put it over the Dane in a finish go. Be that as it may, Unholz is going to rough it when he enters the ring with "Cyclone" and Johnny is just as eager to make a showing. The fight wil be a hammer-and-tong affair of the liveliest type.

RED AND BLACK WINS.

Local High School Simply Outplays Ogden at Every Stage of Game.

Ogden at Every Stage of Game.

Because Ogden showed lack of expected ginger and displayed little teamwork the Salt Lake "High" won Saturday's game easily. The Junctionites were outplayed at every stage of the game and a sudden awakening towards the end of the contest came too late to change the results. A score of 15 to 9, marked the affair, Denfenders of the Red and Black were full of life and determination and when the game opened they jumped in with a show of door-die spirit that tipped the spectators off to what might be expected. Salt Lake made its total score in the first half; a brace and series of end runs and line smashes made Ogden 5. Then it was all over. The life-up and officials follow:

PARK CITY VICTORIOUS.

Park City High School football stars defeated the second team of the All Hallows College Saturday by a score of 10 to 5. Captain Hartwell of the Park City team made a touchdown for his team and was in every play. He made a long run which was spoiled by officials, however, in penalizing the play. The decision did not meet with favor at all. Shields for All Hallows was up and doing all the time.

CHAMPS HANDICAPPED TOO HEAVILY, THEY LOSE

New York, Oct. 26.—Melvin M. Shephard, America's greatest middle distance runner, was defeated in the quarter-mile run at the last outdoor meeting of the association in the Metropolitan district held at New York yesterday. His defeat, however, was due to the fact that he was handicapped 13 yards but even with this disadvantage he was beaten only by inches by R. T. Evans. Shephard's time being 149-25 seconds. Martin Sheridan, the all-round champion, was twice defeated both times by Platt Adams. In the discus throw, a handicap of 16 feet was too much for Sheridan to overcome, and in the scratch hop, step and jump, Adams led the champion by more than two feet.

PURSES ARE CUT DOWN, HORSEMEN DISGUSTED

New York, Oct. 25.—The last New York race meeting of the season will begin tomorrow at Jamalca. Instead of the usual full two weeks' meeting, however, there will be but five days this year. The racing days will be Tuesday, Thursday and Saturday of this week and Monday and Wednesday of next week. Purses have been cut down, much to the disgust of those who say there is no reason for this actio has the track made \$20,000 at the spring meeting and has never had a losing day since it was opened. Following this meeting large numbers of horses will be shipped to New Orleans and California, where racing will be conducted all winter.

PRESIDENT THANKS HAYS FOR BIG STICK

New York, Oct. 25.—Acknowledgement of the receipt of the Marathon "big stick," a blackthorn, which John J. Hayes, winner of the recent Marathon race in England, sent to President Roosevelt, was received today by Hayes in the shape of the following letter from the president:

"The White House, Oct. 26.—My Dear Mr. Hayes—I am very much pleased to receive your letter and the 'big stick.' Believe me, I prize it and shall always keep it. All good Americans sincerely rejoice at your victory. I felt that it reflected credit upon our people; and we were particularly glad that it should be won by a man who had been emphatically a good ditizen, a man who had worked hard and done his duty and yet found time for the healthy play which is so excellent to help in work. Let me see you whenever you are in my neighborhood, and with all good wishes, believe me, sincerely yours.

"THEODORE ROOSEVELLI."

HARD COLDS.

People whose blood is pure are not nearly so likely to take hard colds as are others. Physiology goes into the reason, Hood's Sarsaparilla makes the blood pure, causing healthy action of the mucous membrane and giving strength and tone to all the organs and func-This great medicine recovers the sys-

tem after a cold, as no other does. Christensen & Christensen, attorneys and counselors at law, have returned to their former offices in the Romney block, 212 South Main street.

CALIFORNIA STREAMS.

Depend on Rainfall and Do Not Come From Distinct Sources.

Washington, Oct. 28.—Underground streams in southern California depend upon rainfall within their territory and upon rainfall within their territory and do not come from distant sources, according to geological survey reports. The reports say that the 'important subterranean basins in southern California are supplied with water which falls upon the imendiate surface or flows through the ground in tributary streams. There have been theories that streams. There have been theories that waters from the distant Sierra or the

Colorado river, or the Pacific ocean, may, by underground channels or by seepage, reach the San Gabriel valley of the Pomona neighborhood. of the Pomona neighborhood.

Many of the largest irrigation systems now depend upon their subsidiary pumping plants to keep up the supply during the summer and fall, and in a number of places pumped or artesion waters are the sole dependence of thriving communities. Conservative estimate of the proportion of underground water to surface water now. ground water to surface water now used during the late summer periods after dry winters, when the surface surply is lowest and the pumps are busiest as three or four to one

SPREAD GOSPEL IN SOUTH SEAS

San Francisco, Oct. 26.—A 60-foot auxiliary gasoline schooner is to spread the gospel in the South seas. The vessel just completed and launched is named the Hiram Bingham, and is intended for the use of the missionaries of the Gibert islands, where travel by water is an important essential to efficiency. The schooner will sail for the islands next week. At the time of the launching she was blessed by a clergyman and consecrated to the work.

GEN. H. L. HASKELL DEAD.

San Diego, Cal., Oct. 28.—Brig. Gen. Harry Leland Haskell, retired, died in this city yesterday, aged 68 years. He was a veteran of the civil and Spanish wars and had also seen service against the Apaches in Arizona. He was with the Twelfth infantry 36 years. Re-

tired with the rank of brigadier general at Fort Thomas, Ky., four years ago, he came to San Diego and has since made his home here. A widow survives him.

A CONCRETE TEMPLE.

Chicago, Oct. 26 .- The only temple the world whose walls, floors and roof are of one single piece was op-ened yesterday at Oak Park. It is built of reinforced concrete, on the Edison plan, of continuous material with no seams.

The temple belongs to Unity Con-

gregation. ARE GOATS GOOD FOR HORSES?

"A goat is kept in every Russian stable. The Russians believe that goats are good for horses, that their presence keeps out disease."

The speaker, a Russian cigarette dealer, frowned at the laugh which went round the hotel lobby.

"Oh, yes," he said, "it is no doubt a superstition, and we Russians are no doubt a very benighted people. All the same, I have presented goats to some of my horse-keeping patrons here in America, and they tell me that their stables are doing better now than ever before." stations are doing better now than ever before."

"Mr. Sneczeatchoo," said a pipe sales-man, "I have a couple of automobiles. Would you recommend a goat for the garage?"

CHANGES LENT STRENGTH.

Snow was changed from right end to guard. He did some of the best playing at that position seen this season. His place at end was taken by Edgar Mills. Mills played a hard game on the defense. The changes added greatly to the strength of the line.
